

Falk & Co

7-13 Merrivale Drive Warrnambool VIC

Centrally located, flat block a few hundred metres from CBD, beach, river, hospital, schools and golf course, these properties are scarce.

Prices are soaring for residential blocks of land in this highly sought-after area.

The total scarcity of available developable land has created highly competitive market conditions for the residential land market in Warrnambool.

Preliminary plans for 8 residential lots (STCA) available on demand.

Purchase to develop, build your dream home on large
